TO WHOM IT MAY CONCERN:

Dear Sir/Madam:

This letter is written to acknowledge that Montgomery County Public School (MCPS), Division of Construction has been working with Signs & Wonders, Inc. for about fifteen years. When the Americans with Disabilities Act (ADA) laws came along, Signs & Wonders, Inc. was there to help guide us with designing specs for Braille signs in MCPS. Since then, they have fabricated and installed signs directly for us and for various contractors we use to build/renovate our schools. To date, Signs & Wonders have been in over sixty Montgomery County Schools and they have done all of the signage in our current offices when we moved. They are certified with the State of Maryland as a Minority Business Enterprise and have proven to be a very dependable MBE.

As a county agency, we must always be concerned with trying to keep our costs down and their pricing has helped us to do that over the years. I would highly recommend Signs & Wonders, Inc. as a well qualified sign contractor.

Respectfully,

Ray Marhamati
Project Manager
MCPS Division of Construction
